- PLACE** all the sticky notes on the poster.
- When you are done, you may **play the Europe Game** until it is time to share information.

Thinking question:

Why are so many places in the United States named for places in Europe?

Now you're ready to continue working in the Art Room!

“My name is _____

This famous place is _____.

It is found in the city of _____ in the country of _____.

_____ It was built in the year _____.
