

## Passport to Europe

**Thinking Question:**  
Why are there so many  
places in the US named  
for places in Europe?

- LISTEN** to directions.
- READ** about your city.
- WRITE** the label for your picture. Use the information on the webpage.
- WRITE** the important (red) words on your yellow sticky notes.
- LOOK** at the bird's-eye view of your city. **WRITE** an important geography word on your blue sticky note.
- PLACE** all the sticky notes on the poster.
- When you are done, you may **play the *Europe Game*** until it is time to share information.

### Some Geography Words:

Mountains  
River  
Plains  
Coast  
Lake  
Ocean
